DREAM DESTINATION

Casa Angelina

PRAIANO, ITALY

Perched between the sparkling azure Mediterranean and the rugged cliffs of the Amalfi Coast, Casa Angelina is, naturally, all about the views. Guests can relax while soaking up the atmosphere poolside, enjoy Campanian cuisine on the rooftop terrace, or work up a sweat in the wellness centre. Beyond the 39-room boutique hotel, the sleepy fishing village of Praiano – a contrast to the area's capital, Naples – is perfect for lazy strolls, its streets lined with orange trees and full of friendly locals.
